

Pleasant Valley Christian Preschool

Parent Handbook 2021-2022

MISSION STATEMENT

Pleasant Valley Christian School is a missionary outreach of Pleasant Valley Bible Church. As such, it is our intention not only to provide an educational environment which builds a strong academic foundation, but also an environment that helps our students develop a personal relationship with Christ as we instill in them an awareness of God's love and His caring nature.

The Bible is the inspired Word of God.

It is true, inerrant, infallible and final authority for Christian faith and living.

2Pet. 1:20-21; 2Tim. 3:16-17; Mt. 24:35; Jn. 8:31-32; 17:17

God exists eternally in three persons.

These three are Father, Son, and Holy Spirit. He is perfect in every way, righteous, holy, loving in all deeds and Creator of all life. He is unchangeable and eternal in existence.

Gen. 1:1; Is 6:3; Ps. 145:17; Mt. 28:19; 1Cor. 8:6; 1Tim. 1:17

Jesus Christ is God's eternal Son.

As true God and true man, He allowed Himself to be born of a virgin, taught men how to live through His sinless life, was crucified as a sacrifice for our sins, arose bodily from the dead, was seen by over 500 people, and returned to heaven to prepare a place for us.

Lk. 1:34; Jn. 1:1-4, 14, 14:1-3; 1Cor. 15:3,6; 1Pet. 2:21-22; 1Jn2:2

Men and women were created in God's image, tempted by Satan, and rebelled against God.

This brought sin into the world and was passed onto all men for all time. Only through repentance and faith in Jesus Christ are we forgiven, reborn by the Holy Spirit and established as children of God. Faith in Christ is the only assurance of heaven.

Gen. 1:26-27, 3:6-7; Rom. 3:10-12, 23; Acts 2:37-38; Jn. 1:12; 2Cor 5:17; Acts 4:12

The Holy Spirit persuades us to repent of our sins.

His presence in our lives convicts us of sin and prompts us to seek confession and forgiveness in Christ Jesus. The Spirit lives in us, comforts us, teaches us, equips us, empowers us, and enables us to live godly lives.

Jn. 14:16-17, 26, 16:8; Rom. 8:5,11; 1Cor. 3:16; Eph. 5:18; 2Thes. 2:13

The Church is the living body of Christ on earth.

He is its head and the source of its life. The Body is composed of those who have received Him as Savior and Lord. The Church exists to give praise to God, prepare people for growth and ministry through the Word, proclaim the gospel to the whole world, provide caring relationships for support and accountability and be a lighted presence in a darkened world.

Acts 2:41-47, Rom. 12:3-16; Eph. 2:19-22, 4:11-13; Col. 1-18

Jesus Christ will return to earth.

He will return imminently to raise the dead, judge the world, and establish his glorious kingdom. This is the hope of the Church and its encouragement for ministry and godly living. Those who have been reborn will live with Him forever. Those who reject Him will suffer eternal judgment in hell.

Jn. 5:24; Acts 1:10-11; 1Cor. 15:51-52; 1Thes. 4:16-17; 2Thes.1:7-10; Titus 2:13; Rev. 20-22

Welcome to Pleasant Valley Christian Preschool

Welcome to Pleasant Valley Christian Preschool. We are a direct ministry of Pleasant Valley Bible Church; serving families in Camarillo since 1990. Our preschool program offers your child an opportunity for a gentle and loving introduction to school in a safe environment.

We know play is an important part of children's learning and development. We believe that God has given all children unique abilities, with diverse needs, which develop at their own individual pace. By intentionally arranging an enriched environment, including varied materials and activities that are based on the child's interest and discovery, we are meeting each child's unique ability to learn and develop. Through play they are becoming great problem solvers, thinkers, and will grow socially and emotionally through interaction with their peers. We believe that teaching should support the development of the child-physically, socially, emotionally, spiritually, and cognitively through individual, small group, and activity-based learning experiences.

PVCPS is a place where children experience God's love because they are loved. We invite you to come tour our preschool.

Rejoicing in Him,

Theresa Floyd, Director

3 John 1:4

"I have no greater joy than to hear that my children are walking in truth"

GOALS OF PLEASANT VALLEY CHRISTIAN PRESCHOOL

Our desire is for Pleasant Valley Christian Preschool to be Christ-centered and educationally sound. As Christian adults, the staff at PVCPS will assist children in developing a personal relationship with Christ as they instill an awareness of God's love and His caring nature. Our teachers and staff will provide children the opportunity to develop a positive self-image by valuing each child's individuality and uniqueness. Children will be taught through example and daily experiences about respecting the rights of others, the appreciation of our similarities and the acceptance of our differences. Children will be introduced to developmentally appropriate experiences as we foster an enthusiasm for learning and exploration through our play-based program. PVCPS goal for each child is to provide rich, hands-on experiences that inspire, engage, and create a learning environment where children find wonder and discovery through play.

Our teachers and staff strive to be Christian role models. Whether playing, observing or having a "teachable moment" with a child, our goal is to provide an atmosphere of love and acceptance.

HOURS OF OPERATION

Half day – 9:00-12:00; Partial Day- 7:30-1:00 or 9:00-3:00; or Full Day 7:30-5:00

ARRIVALS TO AND DEPARTURES FROM SCHOOL

During Covid-19, each class has its designated arrival entrance. All students arrival time is 8:45. For full time and partial day (7:30-1:00) students arriving before 8:00, please check in at the OWLS classroom to have your child's temperature checked. Afterwards, parent may sign-in child at their designated classroom.

It is a STATE LAW that all children must be signed in and out each day with a FULL SIGNATURE. Only authorized persons (those whose names are indicated in the child's file) may sign children in and out of class. Identification will be required if the individual is not known to the staff. Please notify your child's teacher or the director if you authorize someone to pick up your child other than who is listed on your emergency card. I.D. will be required at the time of pick-up.

ATTENDANCE

Preschool begins promptly at 9:00 AM. Please ensure that your child arrives at school on time each day so that they do not miss the daily activities and they are not disruptive to their class when it is already in progress. If your child will be out of school for any reason, please inform the office at 484-1188.

DEVELOPMENTAL LESSON PLANNING

Learning activities will be based on the developmental level of the children in a particular age group.

Our Preschool curriculum may revolve around a monthly theme as well as the interests of the children. Some of the themes covered during the school year might include: *All About Me, On the Farm, Harvest, Families, Winter, Community Helpers, Spring, Animals, Our Environment, and Summer.*

In addition to our monthly themes, the classes include a Bible lesson. Each class has a daily Bible time with story and songs. Additionally, the students memorize and learn to sign a Bible verse each month. American Sign Language (ASL) and Spanish are also integrated in our curriculum throughout the school year.

DRESS CODE/PERSONAL BELONGINGS

Please send your children to school in comfortable clothes and **closed toe** shoes. We strongly encourage tennis shoes. This will allow your children the freedom for outdoor physical activities, art activities, and other classroom activities. Please do not send your child in crocs or sandals.

Please ensure that all personal belongings (jackets, sweaters, lunch boxes, water bottles, etc.) are marked with children's names.

Even if your child never has "accidents", we ask that you would provide a change of clothing. Please bring the change of clothes in a gallon-sized Ziploc bag with their name written on the outside. Included in the bag should be a shirt, short/pants, underwear and socks.

NO COSTUMES at Halloween or at any other time during the school year.

LUNCHES, SNACKS AND WATER BOTTLES

Children bring a small snack and water bottle to school daily. Because snack time is limited to ten minutes, we ask that you bring a small snack that your child will enjoy such as a piece of fruit, veggies, pretzels, etc. We ask that you not bring sugar-loaded snacks. **All snacks** are to be **PEANUT FREE**.

When signing in your child each morning there will be two plastic containers, one to place your child's daily snack and the other to place his/her water bottle. There will be a marker available if you need to write your child's name on a snack bag. Please use either a snack/sandwich size Ziploc or small reusable bag for daily snack.

If your child stays past 3:00 for afternoon daycare, an additional snack will need to be brought those days.

We encourage you to bring a water bottle that your child can easily recognize from others in the class.

For both full time and partial day students that stay for lunch bunch, please keep in mind his/her likes and dislikes as well as the quantity of food. Most preschool children will eat only half of a sandwich, a small piece of fruit and/or vegetable, and a few pretzels or chips. Any treats included in lunches should be small-

The monthly hot lunch menu is posted outdoors in our enclosed bulletin board. Hot Lunch is a prepaid program. You may purchase hot lunches through your FACTS account.

MEDICATION POLICY

It is the school's policy to administer only those medications commonly prescribed by physicians for short-term illness.

A physician must prescribe the administration of medication needed during school hours. If your child needs to take medication during the school day, you must fill out and return a "Parent's Medicine Consent Form". The medication must be in the original container, clearly labeled with the child's name, dosage to be given, doctor's name and date. The "Parent's Medicine Consent Form" is available in the preschool office.

School personnel will not dispense "over the counter" medication. The parent must administer eye drops and eardrops.

Pleasant Valley Christian Preschool reserves the right to review each medication request by a parent/guardian and to refuse responsibility for such a request either at the time of the initial request or at any time during the administration after notifying the parent/guardian.

HEALTH/ILLNESS

PLEASE HELP KEEP OUR PRESCHOOL HEALTHY!

Health is a matter of importance at Pleasant Valley Christian Preschool. The State of California requires children to have all of their standard immunizations upon enrollment at school. A health inspection is given every day upon their arrival at school. We have (and will exercise) the right to send children home at any time if we feel they have any symptoms of illness. For the health and well-being of all of the children, teachers and staff members here at school, please have your child remain at home if:

- During COVID pandemic, if your child is running a **fever** they must remain home for a 72-hour period with NO fever reducing medication before returning to school.
- They have a **heavy nasal discharge**. Frequent colds are the most common form of illness at school. A child with a fever, green runny nose or persistent cough should be kept at home. We realize some children have allergies that can cause a clear, runny nose or cough that is not contagious. If your child has allergies, please tell the teacher.
- They have symptoms of a possible **communicable or infectious illness**. (These include but are not limited to: sniffles, reddened eyes, sore throat, headache, and abdominal pain). *Chicken pox usually starts with a fever, headache, followed by rash (pink spots) within 24 hours. The incubation period is from 12 to 21 days, (usually the 13th to 14th day). Period of contagion is from one day before appearances of small pink spots to six days after.
- They have **flu-like symptoms**. Flu usually starts with sudden headache, chills, ache and pains in arms, legs, and back. Congested nose and hard, dry cough are common with the flu. Incubation period for the flu is usually one to three days. Period of contagion is shortly before and up to one week after the onset of symptoms.
- They have experienced vomiting and diarrhea. A child should be kept home at least one day after vomiting or diarrhea has occurred for observation. This could be the beginning of a contagious flu.

Please notify the office immediately if your child has a communicable or infectious disease.

CoronaVirus/Covid-19 Best Practices -- Pleasant Valley Christian Preschool

Acknowledging that there is no way to assure that exposure to CoronaVirus/Covid-19 will not occur at PVC Preschool, we have implemented the following policies and procedures to protect, and limit transmission of the virus to, our children, families and staff. These policies will be followed and updated as more information becomes available from our CA Licensing Agencies and CA Public Health Authorities.

Child Admission

- Students will be given a visual health screen and temperature check prior to admission to school each day
- Parents, upon sign-in, verify that you, your child or anyone in your household does not currently experience or display any of the following within the last 14 days:
 - knowingly exposed to anyone with Covid-19 or symptoms of the CoronaVirus
 - displayed symptoms of CoronaVirus: fever 100.4 or higher, cough, shortness of breath and/or difficulty breathing, loss of smell and/or taste, fatigue, muscle aches, chills
 - been given any fever-reducing medications within the past 72 hours.
- If parents cannot confirm all of the above, the child may not enter the childcare center.

Daily Staff Health Reviews

- Staff, upon signing into work must verify they have not
 - been knowingly exposed to anyone with Covid-19 or symptoms of CoronaVirus
 - displayed symptoms of CoronaVirus within the past 72 hours,
 - had a fever within the past 72 hours
 - taken any fever-reducing medications within the past 72 hours.
- If the staff member cannot verify the above, they may not sign in for work

Parent Sign-in and Sign-out Procedures

- Only one adult may escort children to sign-in/out at classroom entrance.
- Parents are encouraged to bring their own pens to sign their children in and out each day. However, for parents who forget, sterilized pens will be provided in a container on the sign in tables and parents will be asked to put them in the “used” container after use. Used pens will be sanitized prior to reuse.
- Parents and children may say good-bye and give final hugs at classroom entrance or at designated area given for each classroom.
- Staff will escort children into their classes. No parents will be allowed in the classrooms.
- Parents, visitors, etc. may not enter children’s areas: classrooms, restrooms or playgrounds

Sick Child or Staff Procedures and Isolation Policies

- A child who displays symptoms of illness will be brought to the office and isolated from other staff and children.
- An Administrative staff member will care for the child until a parent, legal guardian or approved adult is able to pick the child up from the facility.
- A child, as always, may not return to the childcare center unless they are fever free for 72 hours, without the use of any fever-reducing medications
- If a staff member becomes ill during their work shift, they must immediately report to the supervising staff. The administrative team will replace the staff member in the classroom until an appropriate substitute can take the class
- All parents, as always, will be notified if their child has been exposed to a contagious infection.

Reporting of Possible Virus Exposure Procedures

- If a staff member or child displays symptoms of CoronaVirus/Covid-19 they will be asked to be tested prior to their return to PVCS Preschool.
- If a staff member or child tests positive to CoronaVirus/Covid-19, staff/parents agree to contact the PVCS Preschool Administrative team immediately
- If a staff member or child tests positive to CoronaVirus/Covid-19, PVC Preschool will immediately contact the Ventura County Public Health Department, CA Community Care Licensing. Contact will be made by phone and followed-up in writing on the CA LIC Form 624 - Unusual Incident Report
- If a child has been knowingly exposed to CoronaVirus/Covid-19 they will be asked to remain at home, away from the center, for 14 days, or as the center is directed by the Ventura County Public Health Department and CA Community Care Licensing Agencies Facility Maintenance and Daily Cleaning Protocols
- PVC Preschool is professionally cleaned every night, after center hours, using hospital Grade cleaners and sanitizers
- Toys and surfaces are cleaned and sanitized after each use
- All high-use surfaces are cleaned and disinfected throughout the day
- Cleaners and Sanitizers are available in each classroom for easy access and ability to follow Covid-19 cleaning and sanitizing protocols

Social Distancing Practices

- Children are given large areas of indoor and outdoor play space to allow for natural social distancing. Children will remain with the children in their classroom during school hours of 9:00-12:00. As best as possible, Partial day/Full day children will have lunch in their own classrooms
- During Naptime children are spaced 6ft apart whenever possible, or 3ft apart with children arranged to sleep head to toe. During nap time there will be children from different classrooms napping together. There will be approx. 10 children in both nap rooms.

Daily Child Personal Health Routines

- As always, our children are taught to wash their hands. Songs/rhymes are taught to help children take their time and wash for 20 seconds minimum
- Sink areas, toilets, and changing tables are sanitized by staff
- Children are encouraged /taught to sneeze/cough into their sleeve or using a tissue
- Tissues are available for children to reach and use without needing staff assistance
- Staff will monitor children and help with nose wiping and face washing as needed
- Staff will wash their hands after helping each child with personal hygiene needs

As always, PVC Preschool will do our very best to ensure safe practices in order to keep our children, families and staff emotionally and physically safe while attending our center. As State and Federal directives change in regard to CoronaVirus/Covid-19 this document will be updated. Parents and staff will be asked to agree to the new terms when this document requires updating.

I have received a copy and understand the PVC Preschool Best-Practices is an effort to reduce my and/or my child's exposure to CoronaVirus/Covid-19. I understand that it is not possible to provide a guaranteed virus-free environment, but that every effort is being made to limit exposure. I agree to follow the practices in this policy as it relates to my responsibilities.

SAFETY AND EMERGENCIES

If a child becomes injured while at school, we will make an immediate attempt to contact the child's parent/guardian. If a parent/guardian cannot be reached, we will notify the child's physician. If necessary, we will contact emergency support personnel (i.e. ambulance, paramedics). The Preschool Director will make the necessary decisions regarding your child's welfare in the event of such emergencies when a parent/guardian cannot be contacted.

In the event of an emergency, it is vitally important that the school have accurate family information on file. It is therefore extremely important for parents/guardians to keep the school informed and up-to-date on home and work telephone numbers, person(s) for emergency point of contact and home address. Please notify the Preschool Director or the Business Coordinator as soon as possible when this information changes during the school year.

Pleasant Valley Christian Preschool holds fire drills, earthquake drills and lock down drills periodically throughout the school year. Emergency equipment and supplies are kept on campus. Our staff is also trained for emergency procedures involving an intruder on campus. Our staff is trained in First Aid and CPR techniques.

PVCPS EMERGENCY/DISASTER PROCEDURES

In the event of an emergency or disaster on a school day, the following rules will apply:

During School Hours:

1. Your child will be kept at school.
2. Your child will be released ONLY to persons on your school emergency card.
Anyone attempting to pick up your child will be asked for identification.

Going to School Recommendations:

1. Review these rules periodically with your child.
2. Help your child know your location during the day (ie. work, doctors, schools, etc.)
3. Make sure that your emergency card is updated with the names and phone numbers of those individuals allowed to pick up your child.
4. Understand the emergency procedures at the school and reinforce them with your child.
5. Know where to park during an emergency and where to go to pick up your child.
6. If you have children in more than one school, know what school you would go to first.
7. Have a family disaster plan and practice it.

CHAPEL

Chapel is every Tuesday and Wednesday at 11:40 and begins the first week in October. All parents are welcome. An offering (usually coins) will be taken each week and money collected will be combined with the elementary school offering. The donations are used to minister to and provide support for others in need.

BIRTHDAYS

Your child's birthday is a special day. We take joy celebrating with them. Children whose birthdays occur during the school week may celebrate it on that day. Those that occur on weekends or holidays will be celebrated at the parents' discretion. If your child has a summer birthday, you may choose another day to celebrate their "*Un-birthday*". Please discuss the day you'd like to celebrate with your child's teacher.

We ask that private party invitations NOT be passed out at school, unless the WHOLE class is being invited.

If parents would like to bring a special birthday treat, we request that it be brought in the original store packaging. Some suggested treats would be individual bags of popcorn, mini muffins or cupcakes, cookies, or mini ice cream cones from Trader Joes.

DISCIPLINE

Discipline shall be based on an understanding of the individual needs and development of a child. Employees shall first address behavior as a "teachable moment". Having a conversation and asking questions will bring about a better understanding as to what occurred. Oftentimes, having a simple conversation with the child or children involved in a particular situation remedies the "problem" at hand. While talking with a child, we find that, at times, he/she can come up with their own solution to a situation. This demonstrates progress in problem-solving.

It is equally important that the children learn to respect their peers and staff alike. No physical punishment will be given. If problem behavior persists, the teacher or director will notify parents by phone. A conference may be requested if appropriate. Ultimately, we strive to teach the children that in all ways they should honor God with their words and actions.

PARENT PARTICIPATION

The following does not apply during Covid 19.

As a parent, you are always welcome to come and observe your child's classroom and activities. Parents are invited to participate in various activities during the school year. These activities could include participating/helping in classroom activities, helping with special classroom parties/celebrations, or other activities as requested by the teacher.

Please let your child's teacher know if you are interested in sharing your special gift, talent, hobby, or occupation with the class. It means so much to children when their parents can visit and participate in their classroom.

PARTNERS IN EDUCATION

The Partners in Education, PIE, was founded by a group of parents who wanted to be more involved with their children's education. The goals of the group are two-fold:

1) To be involved in their children's education by providing support to the teachers and staff and; 2) To purchase additional supplies and equipment for the preschool and grade school through organized fund-raisers. PIE has provided our school and preschool with many tools for the growth and enrichment of all of our students. This all-volunteer board needs **your** help and support to continue meeting their goals. All parents, teachers and staff members are encouraged to participate and support this group whenever possible.

BOOK CLUBS

Pleasant Valley Christian Preschool is happy to offer you the opportunity to order books through Scholastic Book Club. Seasonal catalogs will come home periodically.

EXTENDED DAY CARE

AFTERNOON SCHEDULE

The children rest between 1:00 and 3:00 p.m. **We ask that you do not pick up your child before 1:30 p.m. so that rest time is not disturbed.**

From 3:00-4:00 p.m. children have snack, story time, outdoor time, art and playtime.

EDC LATE FEE POLICY

Children not picked up on time will be charged a late pickup fee of \$5.00:

Half day (9:00-12:00), Partial day (7:30-1:00 or 9:00-3:00) or Full day (7:30-5:00).

Fees collected will be paid to the staff member on duty or you may sign a late slip stating you will pay the Director by your child's next school day. If a parent fails to do one of these two things, the Business Office will bill your account. Repeated late pick-ups may result in your child being dropped from the program.

FINANCIAL RESPONSIBILITIES

Families wishing to pay their annual tuition in full may do so directly to the school upon enrollment in any PVCPS program. Tuition paid in full by the deadline posted in the annual "Schedule of Fees" will receive a discount (refer to the *Schedule of Fees* for the discount amount). New families may also qualify for this discount should they choose to pay their annual tuition in full upon enrollment.

PVCPS has established a partnership with FACTS Tuition Management for our families who wish to set up payment schedules to pay their annual tuition.

FACTS is an automatic payment system which offers our families two payment options. Each family electing to make payments throughout the school year is required to execute an Automatic Payment Agreement between themselves, the school and FACTS. Monthly tuition payments are not accepted at the school office.

Automatic Payment Agreements must be executed prior to students starting in any PVCS program. For more information on the FACTS program, please contact the school office.
